

THE PSYCHIC WITCH'S POTIONS

*Handmade ritual potions
infused with natural essential
oils for the healers, the mystics,
the seekers and the curious*

I work with steam-distilled oils made from wild herbs, flowers, woods and resins from India, each carrying its own medicine, memory, and magic.

Every product is handcrafted with intention, guided by true aromatherapy principles and the therapeutic properties of each plant.

These potions are made for the modern mystic, the healer, massage therapist and for anyone who loves personal rituals that ground, energise, calm and awaken the senses.
